Editor: Bernard Sandalow

Dear Linda,
Hi there. Why haven't you talk to me very much this past year? I've missed you. Have fun next year, and good luck. Get the most you can out of life. Stay as cute & nice as you are. Take care of your self. Love always,

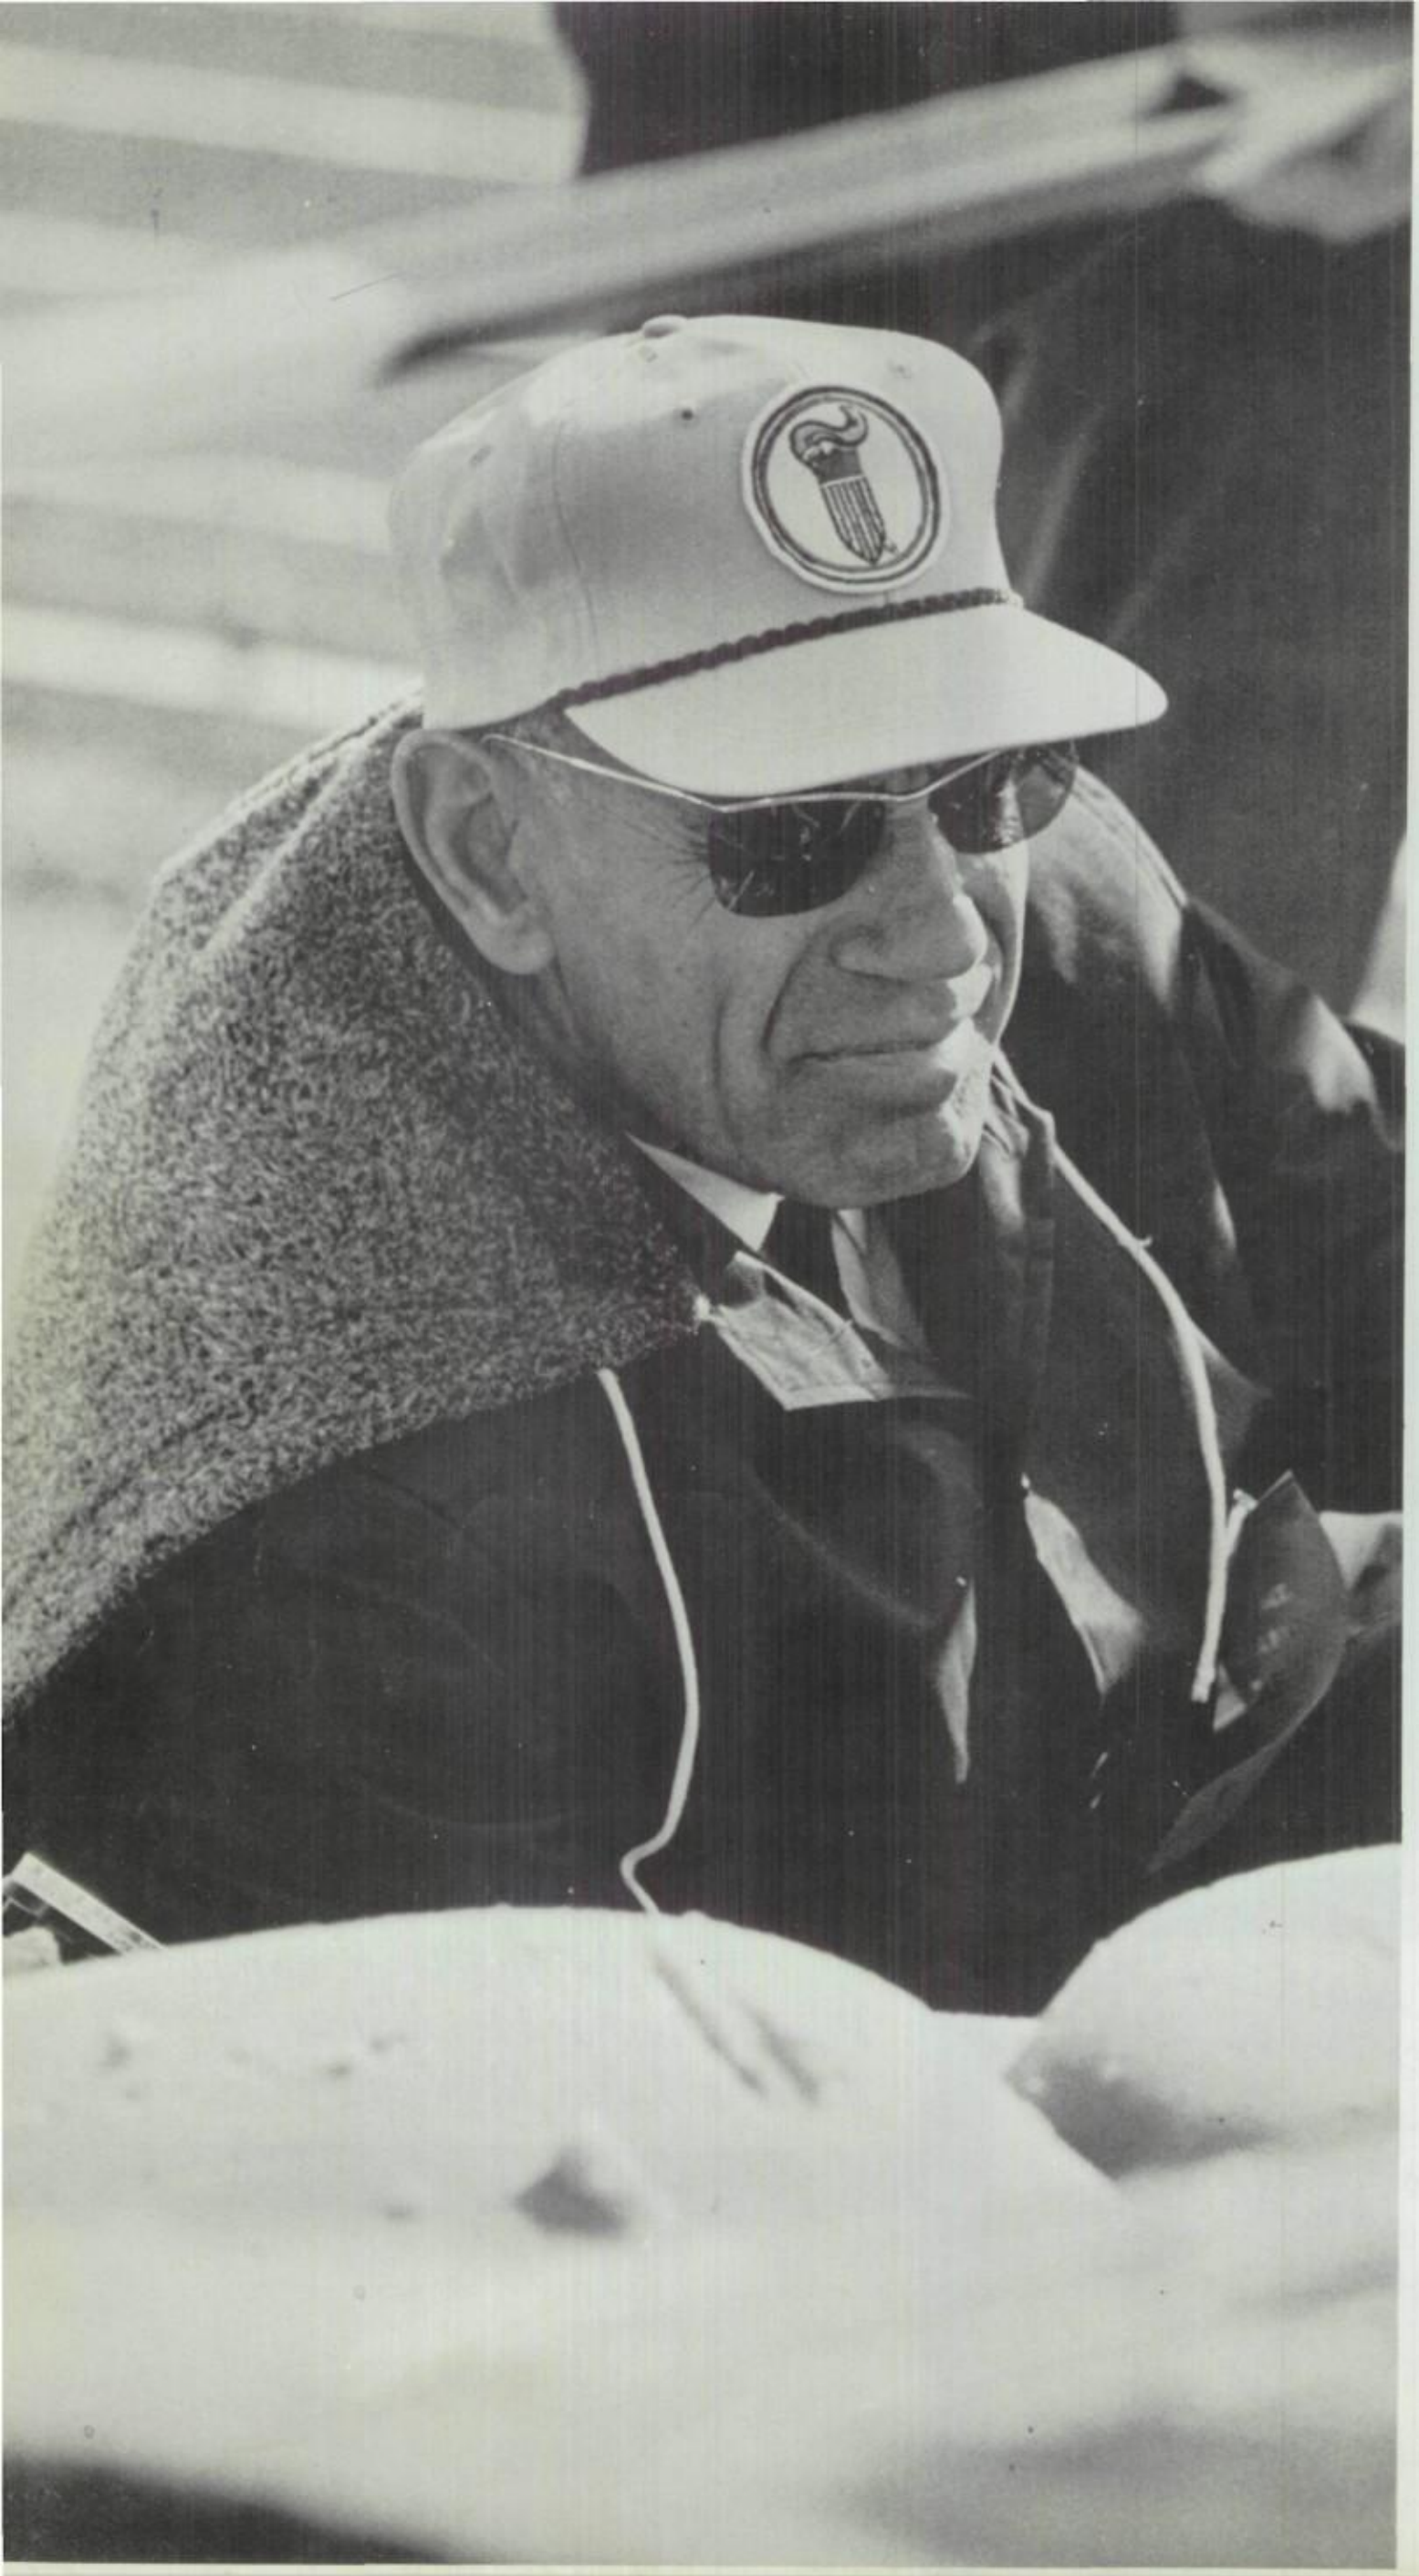
Hello Lady How you been? you are the only person I know in 7-8 who knows BM - & that makes you a woman have a nice summer and Be a good girl. BMC



Pete Clentzos (on the right) pictured with his tw
brothers at age 5.

Franklin students pay tribute to their Dedicated Friend

Go to any school, and there are bound to be teachers, administrators, janitors, even secretaries that have been there for years and years, and have become legends in their own time. At Franklin, Pete Clentzos has become such a legend.

In fifteen years, Mr. Clentzos has served as Boy's Vice-Principal, and athletic coordinator. More recently he has filled the job of assistant Principal. But there is another side to the man.

Active in high school sports in the San Luis Obispo area, the young Pete Clentzos set the pace he was to follow much of his life. While attending the University of Southern California, he lettered in both football and track. He pole-vaulted in the 1932 Summer Olympics here in Los Angeles.

After spending some time in the S.C. Dental College, he accepted a job at a Barstow High School. Athletics, always his first love, helped shape the career ahead of him. Coaching football in the early forties, Clentzos was fulfilling a lifelong dream.

During the war years, Mr. Clentzos was in charge of physical training at Santa Ana Air Base, where he administered calisthenics to thousands of young cadets to the cry of "Hubba Hubba!," a famous expression that the enthusiastic lieutenant Clentzos made popular.

After the war, he began coaching at Roosevelt High in 1945. A popular football and track coach, Clentzos remained there until 1957, when he moved to serve a semester at Narbonne High as Boys' Vice-Principal. He came to Franklin in 1958, and has been here since. Although he no longer coaches, Clentzos remains an active track and field judge for SPA-AAU, and has officiated at football games as well.

In his fifteen years here, Clentzos has left his mark on Franklin High School. Most agree he has gone beyond his job and made many efforts to improve the school. He conceived the idea of rotating the responsibility of Clean Campus to a different club or group each week. As many will say, Franklin has an exceptionally clean campus; it is something to be proud of. The school can thank Mr. Clentzos for keeping it that way.

Mr. Clentzos has also set up a security program over the years that has left Franklin relatively free of problems such as fights, violence, and gang-related incidents.

As a member of the Optimists, he has devoted hundreds of hours working with this service group's programs for youth, bringing thousands of dollars in scholarships to Franklin students through the years.

Why the extraordinary effort? Mort Tenner sums it up best: "It can best be described as complete dedication to his job; complete dedication to Franklin High. He has remarkable integrity; he is unwilling to compromise with himself or his own high principles. He is a man of duty.

"He has made Franklin a place students can be proud of and a safe place they can attend; he may not be popular for his actions sometimes, but I know he can feel proud."

As a vice-principal most of his years here, Mr. Clentzos has often been cast in the role of "The bad guy." He administers the discipline, he's the tough man. He is loved by some, hated by others. But regardless of any one person's attitude towards the man, one can't help but hold him in high respect. For everything Franklin is, Pete Clentzos is. The same kind of pride and determination that is in these walls are also found inside him. He more than any other man has made Franklin what it is today; the fighting spirit of an athlete combined with the wisdom of years as an authoritarian have made for an awe-inspiring individual we call Mr. Clentzos.

This year, 1974, marks Mr. Clentzos' last year at Franklin. After almost thirty years as a teacher, fifteen of those spent at Franklin, he is retiring. He is going home to a lovely wife, a grown son, and the opportunity to do two things he loves best: golf and traveling. Mr. Clentzos has been to most parts of the world; the only place he an his wife haven't visited is Africa.

What he leaves behind are the memories he has of all the thousands of faces of students in an endless parade of names, personalities, and locker numbers. And they too will remember the man with the coarse gray hair and the stern voice. He is unforgettable.

It is then appropriate that we, the Almanac Staff choose to dedicate the 1974 Franklin Almanac, on behalf of all Franklin students everywhere, to the tall, tall monument this man has built . . . we dedicate it to Peter David Clentzos, who, in practically no time at all, will be riding off in an African sunset, fulfilling yet another dream.

Fall President Anita Gilner

It has been said by many people that Franklin is one of the best, if not the best, high schools in all of Los Angeles. And who am I to disagree?

The wisest of all kings, Solomon, asked God, "Give me wisdom and knowledge that I may go out unto these people."

Franklin has tried to endow its students with wisdom and knowledge so they too may make decisions worthy of a king.

I am proud to have had the privilege of attending such a fine school and belonging to the best Senior Class ever graduated from Franklin.

Many thanks to the people who have made my years at Franklin such a beautiful experience.

Thank You,

Spring President Jesse Serrano

As Class President, my experiences were many, and I thoroughly enjoyed the opportunity to the fullest.

The Spring Cabinet put in long hours of hard work with rewards that cannot be measured in words alone. The warm fellowship that was exhibited by all members of my cabinet will remain as a part of my life. Working together with people of many different backgrounds leaves me with untold experiences that will make me a better person. And better people is what the world really needs.

I feel that I have acquired much personal satisfaction and mental growth from my working with the political, physical and social aspects of Franklin. People working together for a common goal — to improve conditions of education . and living — is what student government is all about, and I'm proud I was involved in it.

I sincerely wish to thank all that helped me during my time in office. Sincerest and warmest wishes are extended to everyone at Franklin, and I pray that all of you will succeed in all vour endeavors.

Sincerely Yours,
Jesse Serrano

When you're down and troubled,
And you need some lovin' care
And nothing, no nothing is goin' right.
Close your eyes and think of me,
And soon I will be there
To brighten up even your darkest night.

You just call out my name,
And you know wherever I am
I'll come running to see you again.
Winter, Spring, Summer or Fall,
All you have to do is call,
And I'll be there, yes I will,
You've got a friend.

When the skies above you
Grow dark and full of clouds
And that old North wind should
Begin to blow . . .
Keep your head together,
And call my name out loud
And soon I'll be knocking at your door.

You just call out my name,
And you know wherever I am
I'll come running to see you again.
Winter, Spring, Summer or Fall,
All you've got to do is call
And I'll be there, yes I will,
You've got a friend.

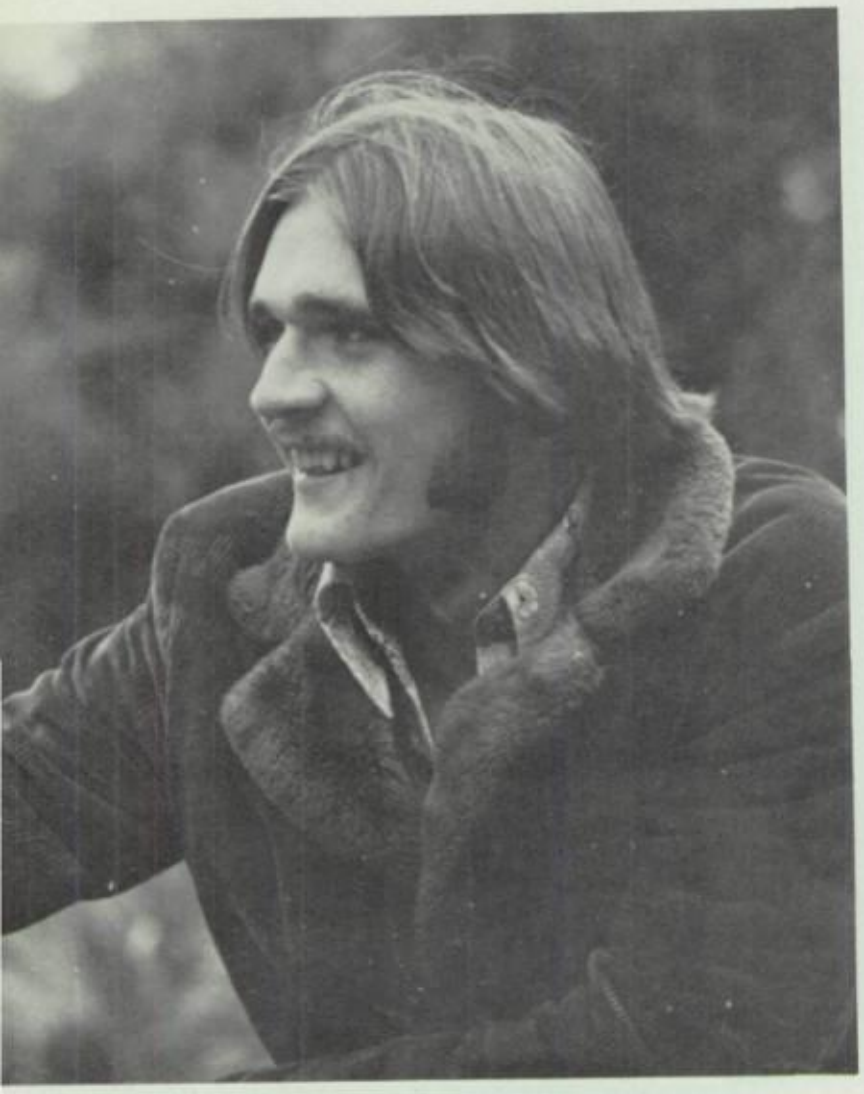
Reflections of Different Moods, Activities



The Sacesian Prom

As the stars sparkled, the Sacesian Class held its Senior Prom at the Sheraton Universal on Saturday, February 9, 1974, at 7:30 pm.

On this memorable occasion, the highlights of the evening included dining, dancing, and the coronation of the Sacesian Prom Queen Denise Pabon and her Court.

Franklin's mighty Sacesians danced to "Just You and Me," the class song, played by Savannah Sunrise. As the evening proved that "Everybody is a Star," all agreed that it was a night to remember.

Prom Queen Denise Pabon

THE SACESIAN PROM COURT - L. TO R.: Gayle Shimokaji, Kim Shepard, Carol Plumb, Denise Pabon, Sandy Wilson, Brenda Guzel, and Pauline Hernandez. NOT SHOWN: Escorts Ken MacNeil, Jesse Serrano, Mike Navarro, Nick Bernal, Roy Martinez, Gilbert Sandoval, and Mike Flores.

Enjoying their dinner (CLOCKWISE FROM LEFT): Julie Deno, Navarro, Karen Addie, John Martorano, Stephanie Owens, Jesse S[illegible], Kim Shepard, Jeff Deno, Rosalyn Betancourt, and Tony Taranto.

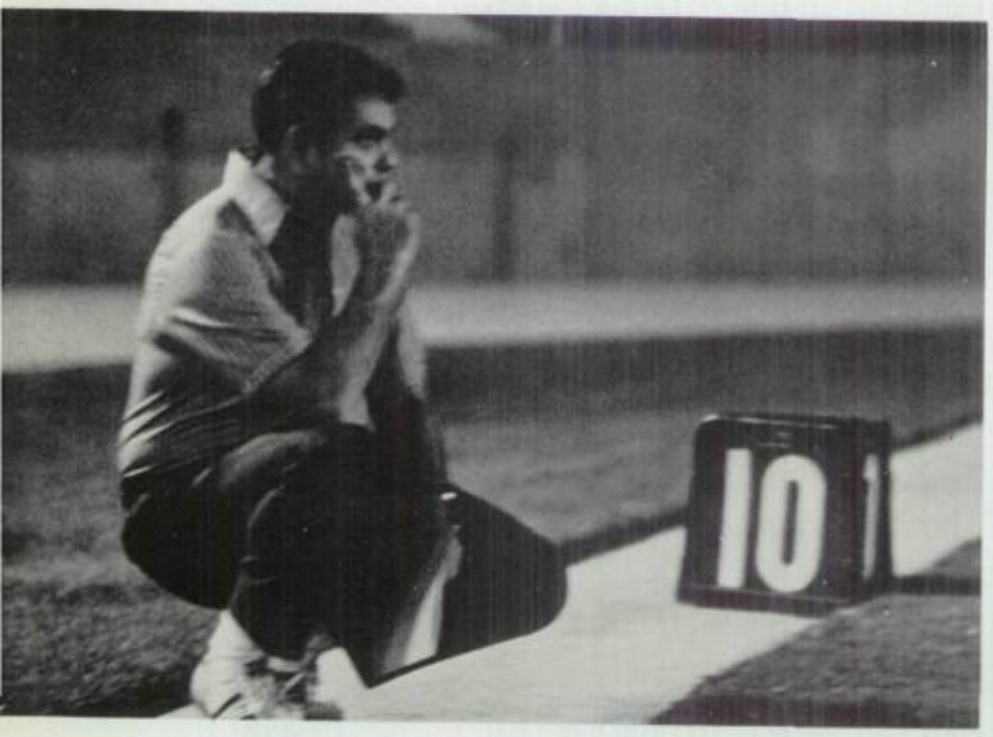
FACULTY & ADMINISTRATION

Principal Mort Tenner Salutes '74 Sacesians



The Franklin High School story is told well in this fifty-eighth edition of the Almanac. This past year has been a good one for our school. Many old traditions were maintained: We continued our number one ranking within the Los Angeles School District in terms of scholarship awards won by our graduating seniors. Once more the varsity football team had an undefeated season as they brought home the Northern League Championship for the fourth time during the past five years. Our many school and club drives to aid the less fortunate in our community were all successful.

It is this last tradition, that we at Franklin High have developed a concern for others, that makes me feel proud to be associated with Franklin High School. We hope you are able to share this feeling with us.

It is my wish that you may enjoy emotional and physical health and happiness in the future. You have taken a big step today and should have a feeling of personal achievement.

What about your future? First, understand your ROLE before you set your goal. Many of you have played an important role at Franklin by inspiring, uplifting and motivating your teachers and your friends. They will remember you. Second, set your goals. You CAN continue to be a success. Nothing can make you feel greater than success, unless it is helping someone else succeed who is failing. And third, be prepared to pay the price for success which depends on WORK, self-denial and self-sacrifice.

Thank you for the privilege of working with you and for you. May God Bless You Always.

Ruth L. Steele

Someone once said, "There is nothing in your life, but today and the present hour." As the curtain comes down for many of us at Franklin, we can look back and assess what we've gone through. I know as the fleeting moments go by my thoughts will return to Franklin where I can hear the echoes of laughter from the classrooms, the halls, roar of the crowds at the football games, the triumphs of victory and agonies of defeat. What stands out is the moral fiber of our school, the students, the teachers, administration, the whole Franklin community, many groups too numerous to mention. As the Ephebians said in their oath, we hope we have left Franklin a better place than we found it. Good luck to all of you.

Peter D Clentzos

With the publishing of this Almanac, another school year ends. In it you will find reminders of many memorable events. Here you have an album of pictures of your friends. Fun as it is to look back, it is also good to look forward! Begin Now! Plan experiences which will become happy, satisfying memories as the years go by. Graduation is, in fact, commencement — commencement of another segment of your life. Make the most of it!

Jean Havens

mr. ed fogle director of pupil services

What makes Franklin great? When I am asked this question, I can readily reply that it's the students. "Franklin Rules" is shouted to the skies during the fall but I honestly believe Franklin rules because of the pride and self-respect of its students. The students at Franklin can point with pride to the many accomplishments they have earned. I for one am very happy to be a part of it.

Working at Franklin High School gives me the opportunity to be constantly reminded of the great wealth of human talent available in the world today. In these times of crisis much attention is focused on such critical problems as shortages and rationing. Although our natural resources dwindle constantly, there is, obviously, no shortage of human resources. I believe very firmly that this generation will build on the experience of the past in order to help solve some of the many problems that exist. The tools we use to solve problems in school are the same ones we use to solve the world's problems. Our greatest tools are, of course, our own minds, sharpened through constant use. If we can temper our intelligence with understanding and compassion, there is no problem that cannot be solved. I hope that you will put the experience you have gained here at Franklin to the best possible use.

Carol Burke

It seems almost unbelievable that the year is coming to a conclusion and that graduation is practically upon us. Throughout my years at Franklin High School I have always held that each senior class has among it those students of a caliber that could be exceeded by no other school within the district, and this senior class is no exception.

It has been a pleasure knowing you and a pleasure being a part of what will be for each of you a full and eventful life.

Thank you and good luck.

All of the counselors at Franklin High feel privileged to serve the needs of students, and to always be at their service. They perform many needs — Educational counseling to assist students in selecting their classes to fulfill requirements, and selecting electives to round out their programs.

Career guidance is offered to those who seek vocational training and job placements outside of school.

Mr. Wright performs an invaluable service to all Seniors through coordinating scholarship and college counseling. All the counselors help students through personal counseling when the complex problems of our world sometimes seen to be too much. Bon jour, buenos dias, somos amigos. Foreign languages, the key to better understanding of other peoples and life-styles, are taught at Franklin by a small but busy department. Not only does a language help in appreciating the world around us, but can lead to exciting jobs. The possibilities are wide and varied; don't let language be a barrier, at least not while you're at Franklin.

Are you creatively inclined? Do you like to sit and compose songs on your guitar on rainy days, or go to the beach with your watercolors and sketch pad? Some of Franklin's art and music classes may be for you.

For the musically inclined, the field ranges from guitar and beginning strings to band and orchestra. The art classes offer classes in jewelry, ceramics, life drawing, photography, and interesting general art classes.

Mathematics, the language of the universe. How many times have you heard that? Well, whether you want to face it or not, it's true. Not only do the scientists and astronauts use it when exploring the far reaches of outer space, but we here on terra-firma use it too! Our everyday lives depend on how well a person works with figures.

Franklin's math classes can help you! Whether you're just starting out or going into calculus there is a place for you. Franklin is also fortunate to have advanced placement programs in our math dept. for those who really want to get ahead.

Franklin is grateful to have such a marvelous group of people working for it, making it one of the finest schools in the city.

This group of people do so much for us we sometimes take them for granted. Yet they don't mind it since they enjoy helping students with special problems.

Miss Kidder is the nurse. She makes students feel comfortable when they feel bad. Mrs. Stoll and Mrs. Koch are the ESL teachers. Mrs. Turkington works with children who have learning handicaps. Miss Tigner is our librarian.

We thank you Special Ed. people for making Franklin a more closely knitted place of learning.

Secondly, Key Club is unique for its aim in the development, of initiative, leadership ability, and good citizenship. Third is the uniqueness of the Key Club's service program. Drama Department

This year's ever-busy Drama Department opened its season with the comedy hit "You Can't Take It With You," directed by Nancy Flores.

In February the group produced "Collage," a bill of three one-acts. These included "Sarah and the Sax," directed by Ken Wickman; "I'm Herbert," directed by Suzanne McGraham; and "The Diary of Adam and Eve," with Bernie Green in charge. These were student plays, with drama members supervising every aspect of production from make-up to props.

The final production of the year was the hit musical-comedy "The Music Man." The student director was Cathy Rosales.

We would like to thank our advisor and director, Miss Carolyn DeMirjian, and thanks also the many people who continue to support the Drama Department year after year.

Student Council — Fall 1973

President Ken Wickman

When entering office on the first day of school, twenty weeks seemed like a very long time. Now, looking back from the end of the semester, I get a true perspective on how short a time it really was.

If there were any way possible I could have continued as Student Body President, I would. But now I must step down and leave a vacancy that I hope will be filled by qualified students who will enjoy the privilege and learning experience of this office as much as I have.

Now I'd like to say thank you and good luck to everyone in the Student Body who gave me this great opportunity to serve Franklin High School in the most honorable way possible.

Thank you and good luck.

Yours Truly,

Ken Wickman

Student Council Spring 1974

President Carlos Conejo

It has been a privilege and an honor to serve Franklin as Student Body President this past Spring. It has been lots of fun and I've really enjoyed myself. I would like to express my gratitude to my cabinet which helped me out and served the students to their fullest capacity. I hope that everything we have done has benefited everyone. I tried very hard to get student government to work for you, because that's what it's there for.

Many people think that to be student body president you have to be an intellectual. Hopefully I have created a different impression. I say this because for those of you who know me, I am not exactly "Joe Straight."

I expressed gratitude to my cabinet, so now I'd like to thank all of you who made it possible for me to be able to serve you. And special thanx to Larry Messenger, leadership sponsor.

Sincerely,
Carlos Conejo Jr.

Panthers Roll to Another 8-0 Season

Franklin once again dominated football last season, showing everyone who was really the best in 1973. The Panthers rolled to a perfect 8 wins, 0 losses season, dropping the playoff game to powerful Carson, 23-10.

In pre-season play, Franklin established what was to become its most formidable weapon this year: the passing prowess of Vince Ballardo. The senior signalcaller amassed 404 yards in the air during the first three games, passing for six touchdowns. The running game was sparked by the halfback tandem of Wallace McGee and Jesse Serrano, both of whom had been doubtful due to injuries.

The Panthers rolled over the Northern League teams, edging Wilson 13-10 in the opener, and going on to defeat Eagle Rock before a large homecoming crowd at the Rose Bowl. Marshall was defeated by the toe of Robert Alaniz and his 28-yd. Field goal. Lincoln fell by the largest margin of any Franklin opponent all year, 26-6, and next week Belmont also lost by 20.

Franklin, at the close of its Northern League campaign was one of only three teams in the city still with an unblemished 8-0 record; disbelieving sportswriters continually discounted the strengths of the team and refused to rank them in the Top Ten.

The Playoffs saw Franklin matched with Carson, 2nd place in the Marine League and defending city champs. The game, played at the Rose Bowl, saw Franklin jump to a 10-0 lead in the second quarter. In the second half, the size and strength of Carson wore down the tough Panthers and Franklin succumbed, 23-10. Afterward a Carson coach said that Franklin was the toughest and finest team they had met all year.

Franklin captured a majority of spots in the All-League selections, with John Snyder selected 2nd team all-city and Vince Ballardo, who amasses 1,353 yards over the season, going 3rd team all-city. A total of 18 Panthers received All-League distinction. The Panther Coaches, Jim Bogle and Jim Bertilacci, now have accumulated a 24-1 league record in the last five years, proving once again in 1973 that the Panthers truly are Number One.

Panthers Sweep Pre-League Games

On September 28 the Panthers opened the start of another spectacular season as they met the Grant Lancers at Valley College. Vince Ballardo opened up the passing game, chalking up 180 yards in the air. The inexperience of the opponents became a key as Franklin converted seven Lancer turnovers towards a final score of 19-0 in favor of the Panthers. The first touchdowns of the season were scored by Carlos Olivares, Joe Young, and Vince Ballardo.

Thursday, October 4, the Panthers took on Van Nuys on their home field and notched their second in a row 20-7. The hapless Wolves, whose total offense was only 121 yards, saw Ballardo click on 8 of 15 passes for 140 yards. The running game, which showed more solidarity with the return of injured halfback Wallace McGee, was beginning to run up some yards in the second quarter when Franklin's other starting halfback, Jesse Serrano, was injured and had to leave the game. Franklin proved up to the task, however, with the Panther Defense holding the Wolves scoreless until the fourth quarter. Touchdowns were scored by David DelToro, Joe Young, and Carlos Olivares.

East Los Angeles College, sight of so many Franklin victories, was where the Panthers took on a surprising Venice team and just beat them 14-13. The Gondoliers scored twice late in the game, and just missed a 2-point conversion that would have tied the game. Their varied offense drew a sportswriter's comment, "This is as close to sandlot football as I've seen," and kept the Panther defense working all night. The October 13 contest saw Franklin touchdowns scored by David DelToro on a 50-yard pass from Vince Ballardo, and by Ralph Gallegos, on a blocked-punt return.

Panthers Down Wilson 13-10

Franklin defeated perenially tough Wilson in their first league game played at East L.A. The score was 13-10. Vince Ballardo completed 11 of 35 for 152 yards. One pass, a 23 yard effort to Joe Young, was good for a touchdown; David Kelly scored the second TD of the night. Wilson's Efrain Velasco broke an NL record, kicking a 50-yard field goal; however, the Mules fell short and the Panthers once again had the inside track to the League Title.

Franklin Beats the Birds Again, 14-7

The Panthers downed traditional Homecoming rival Eagle Rock 14-7 before a large crowd at the Pasadena Rose Bowl. Jesse Serrano scored both TD's, on a 21-yd. pass from Ballardo, and a 7-yd. run. Joe Young caught 3 passes for 76 yds. while Serrano rushed for 58. The Panthers beat the Eagles 2 to 1 in total offense. Defensive standouts included John Snyder, David DelToro and Rudy Vidales.

FHS Escapes Barristers, 10-7

Franklin edged the Marshall Barristers 10-7 at Poly High in a game that wasn't really as close as the score would indicate. The Panthers scored early when Ballardo connected to DelToro for 9 yds. and a TD. Richard Segura kicked the extra points as usual. Vince Ballardo completed 16 of 27 for 212 yards, his most productive night of the season. On the receiving end, DelToro caught 3 for 73, and Carlos Olivares hauled in 2 for 39. In the 3rd quarter, Robert Alaniz kicked a 28-yard field goal that provided the winning margin. The Panthers ended the game on the Marshall 2-yard line. The Barristers were beaten 265-152 in total yds. and 16-9 in first downs.

Lincoln Falls 26-6

It was the turn of the ground game against the Lincoln Tigers as the Panthers took them apart 26-6. Although the first TD was on a 49-yard bomb to Carlos Olivares, the remaining three all came on the ground. Serrano, David Kelly, and John Martorano all found the end zone for Franklin as the Panthers rolled up 290 yards total. The bulk came from Serrano, who lugged the ball 17 times for 92 yards, Wallace McGee 12 times for 54, and Ken McNeil, twice for 28 yards. The Panther defense, led by Rudy Vidales, Fred Celis and John Snyder, held the Tigers to 0.96 yards per carry.

Panthers Complete Season, Roll over Belmont 20-0

Franklin concluded its third perfect 8-0-0 campaign in five years by shutting out the Belmont Sentinels 20-0. Touchdowns were scored by Serrano, Young, and McNeil. Vince Ballardo clicked on 12 of 25 for 204 yards. Young caught 4 for 57, and Carlos Olivares, the season's top receiver hauled in 4 for 79; however, Olivares had to leave the game in the second quarter due to an injury; his afternoon may have been even more successful. The Panthers also lost David Kelly, starting fullback and punter. Both players' services were lost for the playoffs. However, Franklin had wrapped up its fourth Northern League Championship in five years.

FHS Scares Carson, Loses Playoff 23-10

Somebody once said lightning won't strike the same spot twice. But on November 24, 1973, it hit Franklin High School for the fifth time when the Panthers, who have gone to the City Playoffs an unprecedented five years in a row, lost in the first round for the fifth time. Franklin drew defending city champ Carson High in the playoff game, and almost walked away with it. Franklin scored first on a 60-yard double reverse pass (the same scoring play used in the 1972 playoff game) from Ballardo to Bob Graham; Richard Segura added the PAT. The Panthers increased their margin to 10-0 when Robert Alaniz split the uprights from 21 yards with a crucial field goal. At half-time, Franklin led 10-7. In the second half, Carson took advantage of their size and strength and wore down the tough Panthers, eventually winning by a score of 23-10. Afterward, Carson's coaches complimented the Panthers and said they were the finest team they had faced all season. But everyone in the Rose Bowl knew that too.

Bees Enjoy Successful Year

The Franklin Panther Bee team achieved a record of 4-2-2 last year, showing much promise and potential. Coaches Mike Foley and Gib Peralta worked hard to put together a program that would achieve success for itself as well as produce candidates for future Varsity teams.

In pre-league games, the Panther Bees beat Grant 6-0, outgaining them 185-70 in total yeards. In the Van Nuys game, outstanding linebacker Fernando Ortega recovered a fumble and returned it 30 yards for a touchdown. The defense also scored on a safety by Don Woodward. Franklin came out on top, 8-2. In the Venice game, Franklin was leading 7-0 most of the game when the Gondoliers scored in dying minutes of the game, then scored again on a Franklin interception. Venice beat the Panthers, 15-7.

The Bees opened up league competition by tying Wilson 6-6. The Panthers were ahead in total yards 280-128 but managed to score only once on a touchdown by Dennis Wong, who ran for 123 yards in 14 carries. Danny Velis and Ken Dison also kicked in good yardage in a game the Panthers should have won.

Franklin went to the Rose Bowl with an eye on beating the Eagles and snapping a 14-year losing streak with the birds. The two teams battled to a standoff until Eagle Rock scored on the last play of the game and beat Franklin 8-0. The disappointed Panthers were still looking for the first league win.

Marshall wasn't to be it. Franklin settled for another 6-6 tie in a game that saw Ken Dison rush for 82 yards and Terry Abshire catch two passes from Marvin Martinez for 39 yards.

Franklin finally came around against the Lincoln tigers, shutting them out 22-0. Ken Dison caught 2 passes for 65 yards, and Dennis Wong rushed 15 times for 92 yards; the two scored the team's three touchdowns, with a Lincoln safety adding the difference. Outstanding defensive performances came from John McKinney and Andy Ojeda.

In the final game of the year, the Panthers drubbed the Belmont Sentinels 32-6, rolling up 423 total yards. Danny Velis scored two TD's and Marvin Martinez clicked on 10 of 16 passes for 155 yards. The Panthers totaled 20 first downs to Belmont's six. It was a good finish to a good season, and the coaches were pleased, and wish to thank everyone that supported them and the team in 1973.

Coach Avallone discusses strategy during a break in the Venice title game.

Franklin's Soccer Team reached its pinnacle of success in 1973-74, winning the coveted City Championship from the Venice Gondoliers 1-0. This marks the first City Championship to come home to Franklin in 52 years.

Coach Jim Avallone's players achieved phenomenal success in 1973, only their third year of existence. The Panthers nearly became the Champs in 1972, losing in the title game 2-1.

This season, with the help of All-League Fullbacks Jose Hernandez, Nelson Mena, Jose Escobedo, and Goalkeeper Gio Mayorga, Franklin compiled the outstanding record of 12-1-1, shutting out 11 of 14 opponents. The tough Franklin defense allowed only three goals to be scored against them all season long.

The offensive spark was provided by all-league forward Ricardo Sanchez, who scored 14 goals for the Panthers. Raul Perez, Carlos Vega, and Augustin Patino balanced the attack. Halfbacks Edward Pacheco and Patrick Navas contributed to Franklin's overpowering style of play, with the Panthers scoring a season high of eight goals against the Wilson Mules.

In their three years, the Panthers have won the League Championship three times, advanced to the City Finals twice, and in 1974 finally became the City Champions. Congratulations to the Panthers, you're really Numero Uno!

The 1973-74 Varsity Basketball team continued Franklin's resurgence as a team to be reckoned with in the Northern League. Posting an overall record of eight wins and eleven losses and placing fourth in league play, the squad finished with the second best record at Franklin in eight years.

Led by co-captain Steve Rietze and junior guard Kit Kaiser the team had the distinct honor of being the highest scoring team in the League this year. Supplying the rebounds for most of the scoring were Mike Wasiuk and Walter Beaver. Defensive standouts were co-captain David Fryar and Ernie Villa.

This year's team supplied fans with exciting, high-scoring basketball. Some of the highlights of the past season were the Panthers' two 100 point victories over Belmont and a smashing T.V. victory over arch-rival Eagle Rock, 61-51.

Although this year's J.V. squad finished with a poor record, the team was always in the game. Hustle and a good attitude were not enough to overcome the many close losses the team suffered.

One of the bright spots of the season was the fact that four starters were 10th Graders. 2nd Team all-league David Jimenez, Bobby Graham, and Frank Castillo will be contributing heavily to the Varsity next year. Others performing well were Raul Munoz, Larry Wedemeyer, and Bill Olguin.

Northern League Champions

The Franklin B Basketball Team, under the coaching of Ernie Porras, finished in 1st Place in 1974 for the Northern League Championship. The "B" Cagers, besides topping the league with a mark of 10-2, they were also the best Franklin team overall this year, with a season record of 14-2. The Bees were off and running early, rolling up their first seven in a row before losing by one point to Eagle Rock. Many fine players, including Tom Nadle, Rudy Casillas, and captain David Diefenbach, all made standout contributions and the team should contribute heavily to the Varsity and JV next year.

"C" Basketball

The Cees played a hard, tough season, winning their league opener 47-40 over Wilson, and later defeating Eagle Rock 39-24. Team standouts included team captain, Senior Bill Antypas, and Dean Shoemaker. Although their overall season record was poor, Coach Porras has big plans for next season, and hopes many of this year's players will return to the Cee team.

The heart of Panther Spirit

Drill Team

Captains Sandy Wilson and Cindy Aguilar

The closeness we felt in friendship bound us together as captains. We found that two heads are better than one, and ninety heads were even greater. Drill Team this year went through a lot of changes. We were smaller; we brought in new ideas and started new traditions; we had a better relationship with our Football Team, and our spirit spread to other sports at Franklin as well.

We also set higher goals this year, and bringing home our trophies showed the accomplishment of some of our goals. Each girl worked to her fullest extent and all the members of Drill Team lived up to expectations. The results? Well, just look at us. Aren't we beautiful? We say this with pride and honor. We hope that next year's captains feel the same love that we felt toward our Drill Team, and also the relationships within the Cabinet and with the sponsor, Mrs. Barsuhn.

This year's Cabinet was really great and our sponsor has always been wonderful. We mean this sincerely. It was a challenging job and we loved every minute of it. Thanks again to all who cared.

Love,
Cindy and Sandy

The Franklin Panther Band was bigger and better this year. The halftime shows had a creativeness in music, and a variety in songs. Such numbers as "Killing Me Softly With His Song," "McDonald's," "Jack-In-The-Box," and the band's own song "Let's Boogie," written by John Gantley, were featured in the shows.

The Band participated in the South Pasadena, Chinese New Year's, and Laguna Beach parades. They also put on a Spring Concert along with a number of other groups at Franklin.

A special measure of thanks is due Drum Major Carlos Conejo, who has done an outstanding job the past two years. Many thanks also to the officers: Captain John Gay, Lieutenants Roy Martinez and Caren Martinez, Secretary Kathy Wilson, and our own Drum Majorette, Donna Tubbs.

In 1973 and 1974, our fantastic band, under the direction of John Gantley and Richard Quan, has proven once again that "Franklin Rules."

Franklin's Number-One R.O.T.C.

Tops in the City Again

Franklin's R.O.T.C. has come a long way during the last four years, in becoming the finest, top-rated unit of any Los Angeles area high school.

Being selected as an Honor Unit with distinction for three consecutive years, in 1974 we were selected as one of the top four Junior R.O.T.C. Units in the 4th Region, which encompasses all of the Western United States.

We are proud of our achievements — winners of the Sweepstakes Trophy, Most Improved Battalion Trophy, Best Squad, Platoon, and Company Trophies and many other awards reflect the Unit's Esprit De Corps. Our rifle team placed fourth in the entire nation, with Mark Perez finishing number one in Los Angeles individual competition.

Girls were officially admitted into the R.O.T.C. as a class and have contributed greatly in placing the Unit in first place. Having won 1st place in Drill Team and another 1st in Rifle Team in Los Angeles is just a few of the many awards the girls have won. The girls are a welcome addition to the R.O.T.C. program and a credit to Franklin.

Leadership ability, respect for one another and teamwork have brought the R.O.T.C. to its present standing. Pride in the school, its teachers and staff shall be our guide along with our motto, "FORWARD EVER — BACKWARD NEVER."

Almanac Editor Bernard Sandalow

Being the Editor of the 1974 Franklin Almanac has brought me pride, satisfaction, and the knowledge that everyone who has been a part of the book has worked hard to produce what you now hold in your hands: the representation of all the names, faces and events that make up Franklin. This book, we feel, is Franklin in all its many facets.

We have been fortunate; this almanac is 224 pages thick, the largest annual of any L.A. City high school. We have more color, and have relied on artwork less and on photos more, because there is no better medium for conveying memories.

There are many, many people who helped make my editorship enjoyable. Number One is Larry Messenger, the Almanac Advisor. Only through our contact working together on the book did I discover what a truly many-talented man this is, and I am proud to call him my friend. Viga Hall, the representative from Taylor Publishing Company, that shining beacon in the night who showed us the way when we were lost. The gang from Alfred and Fabris, whose work speaks for themselves and who took the lion's share of the pictures in this book.

On the staff level, Dana Hamilton, Steve Rubenstein and Ernie Moreno bailed us out more times than I can remember with pictures. They took most of the photos in the football section. Margie Morales and Dianna Wong, who worked many long hard hours on the cover. Jeanne Kawashima, Charlean Raymond and Leticia Pacheco, dedicated staff members.

Anyway, it has been a hectic year for me, but if asked the old question, "Would you do it all over again?" I wouldn't hesitiate in responding Yes. I will always remember Franklin, and each and every person I came in contact with at school. If my memories fade, I need only to refer to the Almanac. I hope you do too. Thank you all, and good luck wherever you go.

To a really great friend. Maybe we can get at least one class together. The time has gone by so fast that in almost 2 months we'll be in the position of seniors too. This summer is really going to be great! Call me and we'll try to go somewhere. Alright? And remember to look for Almanac T. shirts or sweatshirts ok? Let's stay the best of friends.

Remember when we used to push each-other in the bushes when we were in 10th grade?. That was a blast . . .

Now when we are seniors we can rule the school and ~~corn~~ corn off as usual ∴ ❀
